INSTRUCTION SHEET

FOR STUDENTS/APPLICANTS

Funding is disbursed in the order in which a student file is completed until available funds are exhausted at which time later completed files will be added to a wait list.

1. Complete this form electronically or print this form and complete the top portion.
2. Provide this form to the financial aid office at your institution and request they submit it directly to IEI. We can accept FNAV forms directly from students if the school will not send. Additionally, we do not use financial aid award letters or business office statements to determine financial need.
3. Please contact us at scholarships@cobellscholar.org if you have any questions.

FOR INSTITUTIONAL FINANCIAL AID OFFICE

1. Indigenous Education, Inc. funding disbursement requires this form to be submitted when all the information is available in the completed student file with the institution. **If you prefer to use the IEI Online Form, send an E-Form request to gary.pierce@cobellscholar.org**
2. Please complete the bottom portion of the form with the most up-to-date information, using "0" when necessary.
3. Providing IEI with the start dates for each term on the FNAV should reflect the COA and Resources for full year or partial year. Start dates for each term help IEI to allocate funds for each term, and sets up the check disbursement schedule for award to be sent in a timely-manner; however, the student's IEI file must be complete for any disbursement to be generated.
4. Applicants must have completed a FAFSA to be considered for funding; however, NEED, not Pell eligibility, is used to determine awards. Submit this form to IEI only after the institution receives the Institution's Student Aid Report (ISAR) and, if applicable, the institution's verification process has been completed.
5. With respect to loans, if a student accepts disbursement of loans, the loan amount(s) must be considered in resources but we may deduct the amount to determine need if the loan has not yet been disbursed.
6. IEI will notify the institution and student when awards are disbursed in the form of a check to the institution on behalf of the student. In the event that a student is not funded, they will be notified via the IEI OASIS (Online Application Student Information) Notification System. Please do not place awards on student accounts without disbursement notification.
7. IEI may request updated financial information via the email address supplied by the FAO if needed.
8. In the event that a student's financial aid package changes, IEI will accept updated/revised forms prior to distribution of funds, otherwise, excess funds must be communicated to IEI for distribution consideration.
9. IEI will accept scanned and emailed copies of this form at IEIForms@cobellscholar.org or via postal delivery in our office. Please only submit the form once, unless revision is requested by an IEI team member. It may take up to 10 business days to process the form once received by IEI.
10. Please contact us at scholarships@cobellscholar.org with questions or concerns.
